

Application for Share Withdrawal

Note:

Withdrawal of some or all savings can be made by a member at any time. Whilst Credit Union rules provide a maximum period of 60 days, we aim to pay withdrawals by cheque within a week. We can normally pay out small amounts, up to £50, by cash on demand. However, this is subject to availability at our Office, unless the member has made a prior arrangement for the money to be set aside. If you do not have a bank account, we can provide an "encashment letter" to be used at the local Lloyds Bank, Douglas. Please ask for this letter, if you need it, at the same time as your cheque. Unless an account is specifically closed, a member must retain a minimum of £5 in his/her account.
